Christmas – Secular

Send the spirit of Australia's iconic Kimberley region.

This year, Santa has swapped the snow for sand, celebrating Christmas by the Indian Ocean near Broome. Joined by animal pals – Ghost Crabs with candy canes, an Echidna and Bilby building a sandman, and a Wallaroo and Flatback Turtle patiently waiting to place gifts under the tree – the Kimberley coastline is alive with festive cheer. Snubfin Dolphins breach nearby as the Gantheaume Point lighthouse stands watch, while an elf rides a camel along Cable Beach. Christmas excitement is here!

Christmas – Religious

Traditional storytelling with sacred Indigenous artistry.

Share the spirit of the Indigenous community of Nauiyu on the Daly River, about 230 kilometres south of Darwin, through artwork. This year's stamps capture two sacred moments: Bright Star, Grace Kumbi's interpretation of the Nativity, and Annunciation, by Christina Yambeing, illustrating Mary and Joseph with the infant Jesus. The minisheet showcases a detail from The Gift, a painting by Reverend Robyn Davis, a Wadi Wadi woman from Balranald, New South Wales – the emus representing the three wise men.

Important notice

On occasion, currency has been sent to the Australian Philatelic Bureau in the mail to cover the cost of an order. While this practice is rare, we would like to remind all our customers that this method of payment cannot be accepted.

Australia Post advises that this is in keeping with guidelines for mail processing as set by the Australian Postal Corporation Act 1989.

Planned withdrawal dates may be changed without notice to meet emergent postal requirements. Advice of such changes will be published retrospectively in the first available Stamp Bulletin Australia. Contact the Australian Philatelic Bureau (FREECALL 1800 331 794 within Australia, +61 3 8340 7240 overseas) or visit auspost.com.au/stamps for the current price at the time you place your order. Hours of operation are 8.30am to 5pm AEST. The price of stamps and related products, souvenir items and numismatics are correct at the time of printing but are subject to change. The price of numismatic products is subject to valuation changes. Contact the Australian Philatelic Bureau or your participating Post Office to check the current price at the time of placing your order.
